SUBJECT: Request for Increased Per Diem Rate

1. Action requested: That you approve an increased per diem rate for

25X1

2. Background: During the period 12-19 October 1985, while TDY to [REDACTED] I was subjected to excessive expenditures for lodging which were beyond my control. The trip involved accompanying Mr. James Bain (OSD) who is the Chairman of the BICES Special Working Group/Tri Service Group for Communications, Electronics and Equipments. Reservations were requested for hotels with rates within the regular per diem allowance, as learned on previous trips. Because of extensive activity [REDACTED] during this period, hotel reservations [REDACTED] were extremely limited. The Protocol Office of the U.S. Mission felt Mr. Bain was of sufficient importance to require special accommodations. As a result, they made reservations at the [REDACTED] which cost \$82.67 against an \$88.00 per diem allowance. Since we arrived and checked in on Sunday, 13 October, Monday was a holiday for the U.S. Mission and meetings ran from 8 a.m. to 8 p.m. on Monday through Thursday, it was impossible to arrange change to the accommodations.
